DR. HOOFLAND'S BALSAMIC CORDIAL

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving properties. For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivailed. How well he has succeeded, the American people are able to judge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have clicited so many commendations from all classes of society, as the remedies of Dr. Hoofland, prepared by Dr. U. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases.

The Cordial is designed for a class of discases more general and more fatal than any other to which the people of this country are subject—those springing from a "slight cold." Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects. I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shomaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

of the body into 'topcous assirity, purify the system from
the obstructions which make
disease. A cold settles somewhere in the body, and obstructs its matural functions. These, if not relieved,
react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease.
While in this condition, oppressed by the deranges, cute,
take Ayer's Fills, and see how directly they restore tonatural action of the system, and with it the buoyant
feeling of health again. What is true and so apparent in
this trivial and common complaint, is also true in many
of the deep-seated and dangerous distempers. The same
purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the
body, they are rapidly, and many of them surely, cured
by the same means. None who know the virtues of these
Fills, will neglect to employ them when suffering from
the disorders they cure.

From Dr. E. W. Curturight, New Orleans.

Hendache, Sick Headache, Foul Stomach.

Prom Dr. Elineard Boyd, Baltimers.

Dean Inc. Aven: I cannot answer you what complaints I have cared with your Pills better than to say all that us ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. Aven. Sir: I have been repeatedly cured of the worst femileache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanes at once.

Billious Disorders - Liver Complaints From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious completiate than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Sin: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billous discuss so obstitute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chiago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their sugar-coating makes them very neceptable and convenient for the use of women and children.

Prom Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as effections as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe configurate to originate in the liver, but your Pills affect that fireness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the satural secretion when wholly or partially suppressed, and also very effectual to cleanas the atomosch and expel soress. They are so much the best physic we have that I recommend no other to my patients.

Hosorat Su: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbe and brought on exeructating neurologic pains, which ended in clematic manatism. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackennie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. From the Rev. Dr. Hawkes, of the Methodist Epis. Church.
